28TH ANNUAL NM
DATA USERS
CONFERENCE

NOVEMBER 18, 2026

CNM Workforce Training Center
5600 Eagle Rock Ave. NE
Albuquerque, NM 87113

The Annual Data Users Conference is New Mexico's premier forum for beginning and professional data users. Anyone working on a grant, economic development, using U.S. Census data, or doing research will benefit.

UNM Geospatial and Population Studies will cover its annual population estimates and state projections. BBER director Michael O'Donnell will present a review of New Mexico's recent economic performance plus a short-term outlook.

Breakout sessions cover various topics, including business, education, health care, and mapping data, plus New Mexico Labor Market Information. Visit bber.unm.edu in October for a full list of presenters.
