

A Data.Census.gov How To:

Selecting all American Indian Areas within New Mexico:

- 1) Start at : <https://data.census.gov/cedsci/> and select the “Advanced Search.”

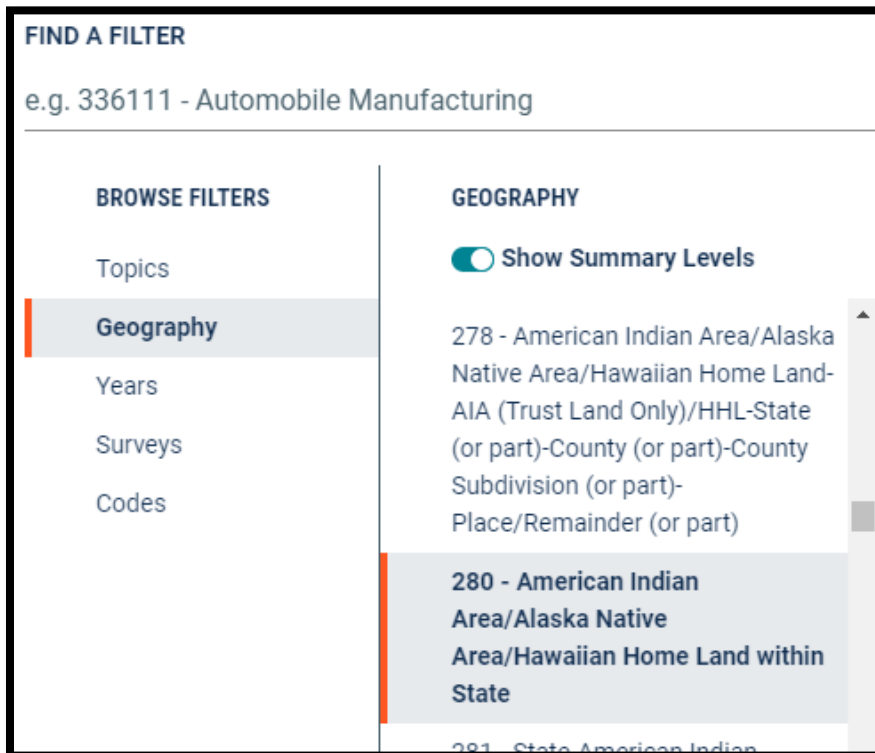

- 2) Select “Geography.”

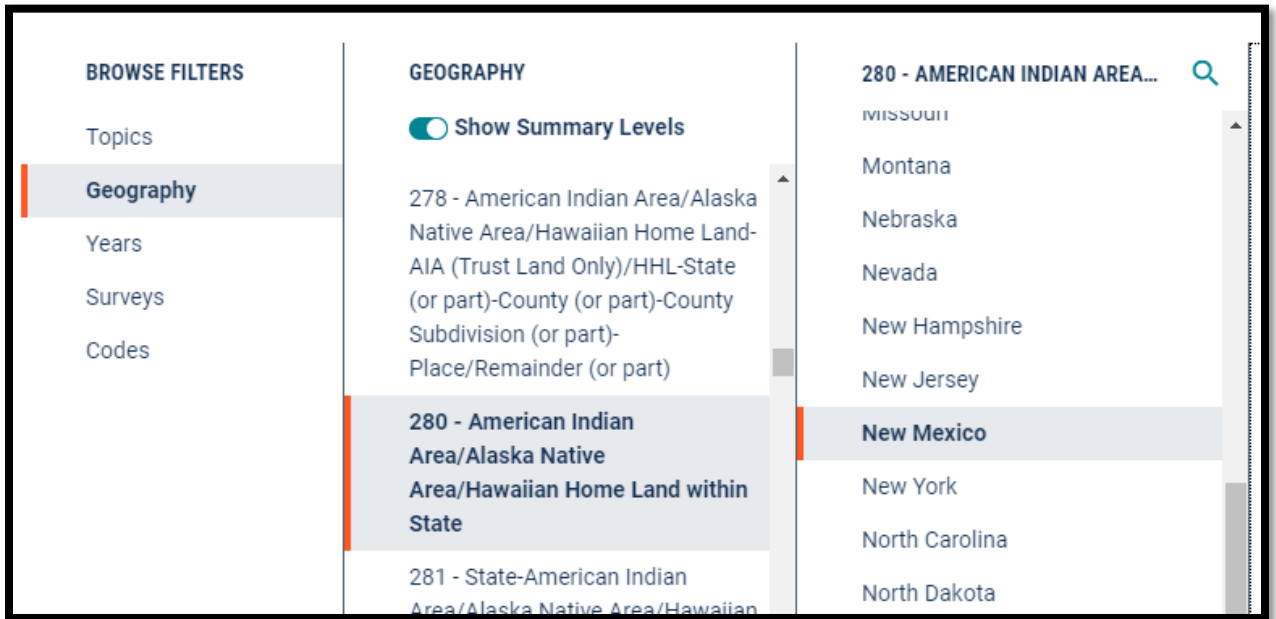

3) Next slide on the “Show Summary Levels”

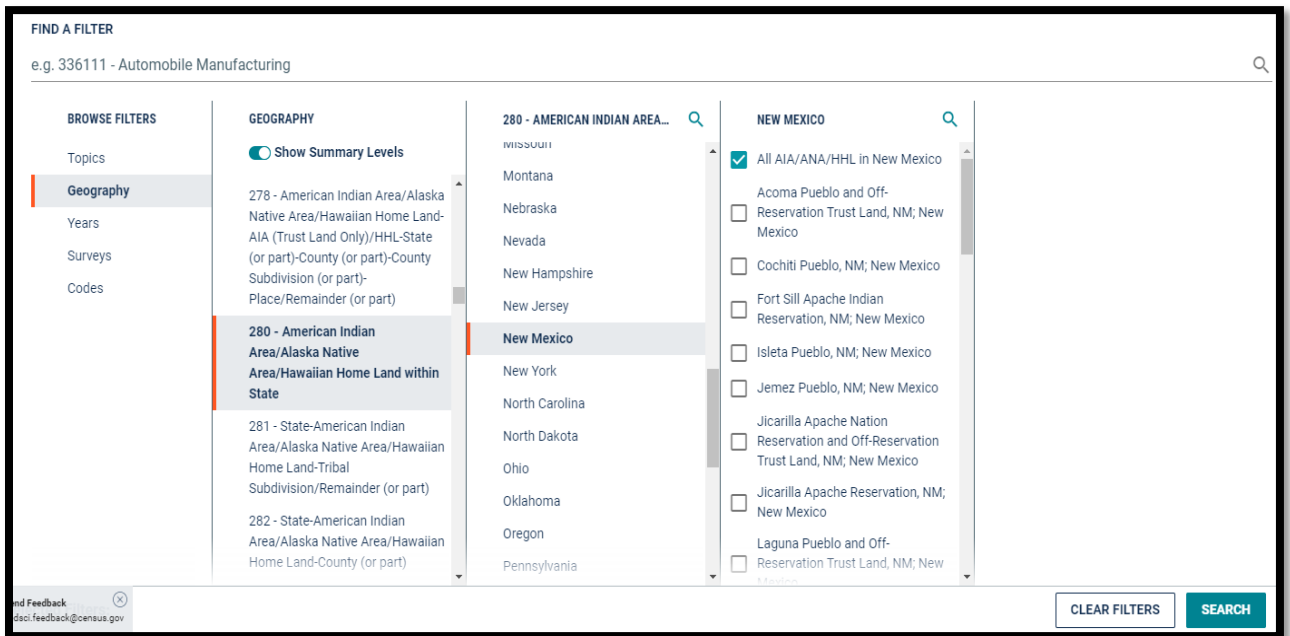

4) Scroll down and select “280- American Indian Area/Alaska Native Area/Hawaiian Home Land within State.”

5) In the next column Select New Mexico

6) In the last column check "All AIA/ANA/HHL in New Mexico."

Before clicking search I recommend adding a topic!
